## The Journal, Indian Geological Congress

### Aims and Scope

Launching of IGC's Journal, incorporating the Bulletin, is a logical forward step in our endeavours to achieving higher scientific & academic objective of gathering, analyzing, and disseminating earth science related research results and the latest findings among the earth science community. The Journal is at present a biannual publication, published in June & December, each & every year. It publishes review articles, landmark research papers, short scientific communications, and discussions & closures by the authors, book reviews, reports on members & important events in the field of earth sciences & allied branches of science. Social and environmental issues, pertaining to larger domain of geosciences are also be within the scope of its endeavours towards information dissemination.

### Submission of Manuscripts

Manuscripts of snippets, short research communications and articles, notes and commentaries are invited for the next issue of the Journal. Send your manuscript prepared in MS Word 2010 in double space along with three hard copies and text in compact disc (CD) at least three months in advance of the publication months (June & December) using special characters, as embedded in the thematic volumes already brought out by the IGC.

Whereas more elaborate details for preparation of manuscripts are given in the right side column, more specific enquiries of immediate nature may be addressed to the Editor, Indian Geological Congress, **Post Box No. 114**, 402/1, 1<sup>st</sup> Floor, 35A, Civil Lines, **Roorkee** – 247 667 (India) or by Fax No.: 01332–277827 or electronically mailed on [igcroorkee@ymail.com](mailto:igcroorkee@ymail.com) / [igcroorkee@gmail.com](mailto:igcroorkee@gmail.com)

### Short Communications & Discussions

Short notes & discussions not more than 3000-4000 words on papers and technical reports will be welcome for publication in the bulletin. The editor may, however, waive these limits to encourage high relevance of the contribution to topical research areas and also for such topics that may not be treated within these limits. Topics may include state-of-the-art reviews and detail case histories. Stipulations concerning submission of contributions are subject to revision in due course as per suggestions of the members of the Editorial Board.
